

ENGAGE 2.0: Online Caricature Exhibition

with

360 Education

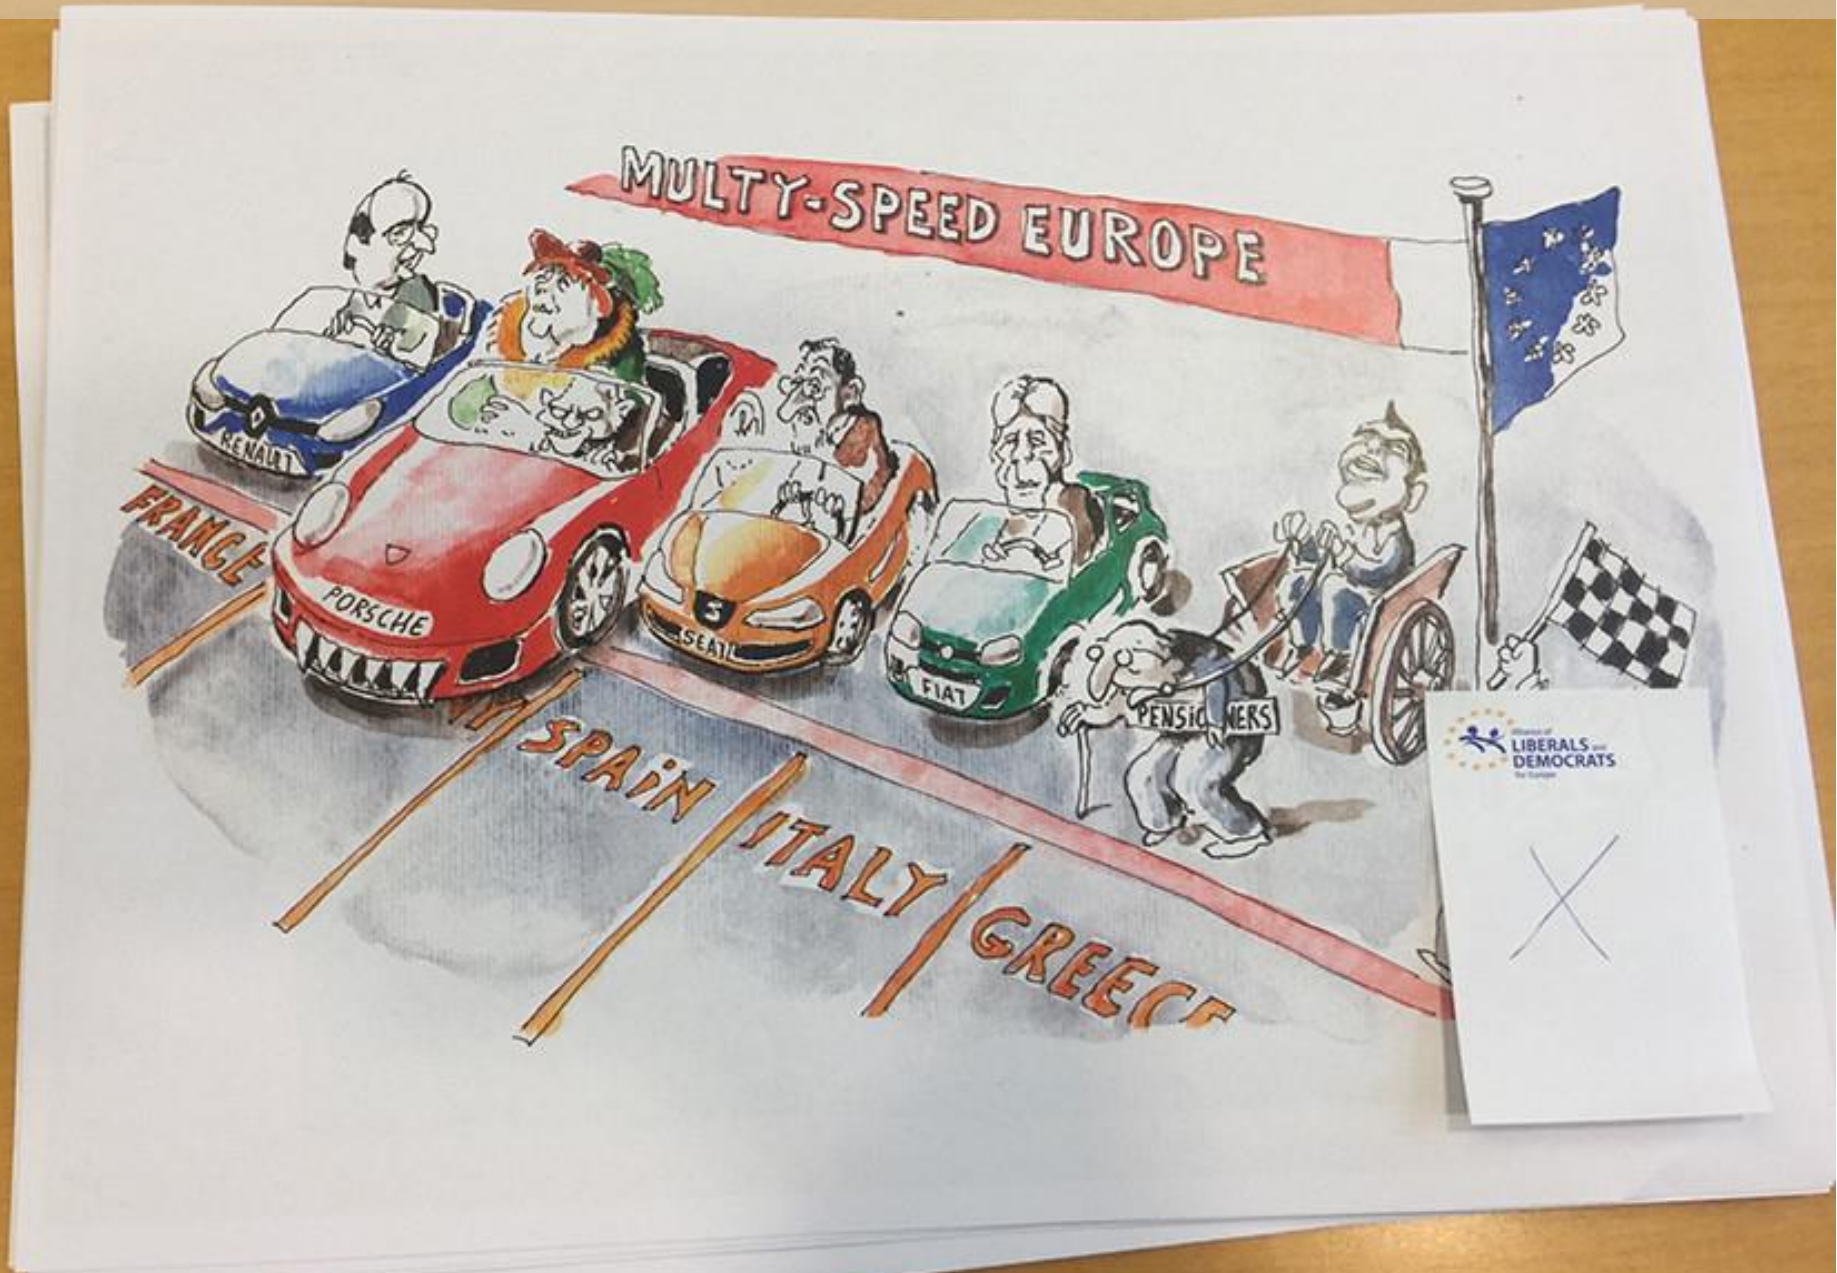

Some Examples

- Note: The next five examples are taken from the internet purely as teaching reference for students on the ENCORE 2.0 project to see how caricaturists tell stories with people and a context. The copyright belong to the original publishers.

Indonesian cartoonist caricatures at the 13th Zagreb International Car Caricature Exhibition.

Trying to bring Russia and Saudi to talk over oil

© Tony Bayer

Themes (choose one) – Must be related to Covid-19 Circuit Breaker

- the spirit of **gratitude** : what is one thankful for?
- the spirit of **hope**: what is one hopeful of?
- the spirit of **resilience**: why one must remain strong

What You Must Draw (Based On Theme)

1) People

- Show people, preferably real people. Have reference to the photos of them. They can be famous people or ordinary people.

2) What are they doing?

- Show what they are doing, e.g. fighting the virus, ensuring safe distancing, etc.

3) Where are they (scene)

- Put a background – e.g. hospital, park, hawker centre, etc.

Self Directed Activities

Please do the following before next session

- Follow our videos and activities to learn caricature at **www.12learn.net/caricature**
- Look at photos and caricature drawings of PEOPLE relevant to your selected theme / story idea (e.g. doctor, nurse, social distancing ambassador, police, sick people)

Upcoming sessions

- Session 2: Learn to draw faces
- Session 3: Learn to draw parts of the body and postures
- Session 4: Brainstorming and sketching out your selected theme
- Session 5 – 8: Drawing, colouring, stitching work together, presentation

Have Fun!
